

JOSEPH A. AMENT, Ph.D.

jament@uvm.edu • (414) 731-9077

Assistant Professor

The University of Vermont
Community Development & Applied Economics
Visiting Research Fellow, University of Leeds
Director, Degrowth Institute

EDUCATION

- UNIVERSITY OF VERMONT** *Rubenstein School of Environment and Natural Resources* **Burlington, VT**
Ph.D. Natural Resources 2019
Economics for the Anthropocene, Ecological Economics Training Initiative
Graduate Certificate: Ecological Economics
Dissertation: A Socio-Ecological Revolution in Monetary Theory
- UNIVERSITY OF MICHIGAN** *Ross School of Business* **Ann Arbor, MI**
B.B.A., Finance and Economics 2005
Thesis: Financial impacts of corporate social responsibility

RESEARCH QUESTIONS

How do theories of money inform micro- and macroeconomic systems; and how can alternative theories of money influence transitions to socio-ecologically resilient societies?

ACADEMIC EXPERIENCE

- ASSISTANT PROFESSOR** *The University of Vermont, CDAE* **Burlington, VT**
Teaching: Macroeconomics, Policy Analysis, Comm. Development 2023-Present
Research: Housing Inflation, Fiscal Policy, Monetary Theory, Sustainable Agriculture
- LECTURER** *The University of Vermont, CDAE* **Burlington, VT**
Teaching: Macroeconomics, Food Policy, Policy Systems, Comm. Development 2022-2023
Research: Housing Inflation, Fiscal Policy, Rural Agriculture
- ASSISTANT PROFESSOR (equivalent), ECOLOGICAL ECONOMICS** *University of Leeds* **Leeds, UK**
Teaching: Ecological Economics, Quantitative Methods, Dissertation advising 2021-2022
Research: Housing inflation, Fiscal policy and degrowth, Monetary theory
- ADJUNCT LECTURER** *The University of Vermont, CDAE* **Burlington, VT**
Teaching: Microeconomics, Macroeconomics, Community Development 2018-2021
- POSTDOCTORAL ASSOCIATE** *Nutrition and Food Sciences.* **Burlington, VT**
Principals: Dr. Dan Tobin & Dr. Amy Trubek 2020
Research: Developed metric to operationalize social embeddedness in sustainable agricultural
- RESEARCH ASSISTANT** *University of Vermont, Rubenstein School of Env & Nat. Res.* **Burlington, VT**
Advisor: Dr. Joshua Farley 2015-2019
Research: Monetary theory, systems, and policies for a just and sustainable economy
- RESEARCH ASSISTANT** *New Economics Foundation* **London, UK**
Supervisor: Dr. Josh Ryan-Collins 2016
Research: Analyzed profit and income impacts of mortgage lending in the UK banking sector
- RESEARCH ASSISTANT** *University of California Irvine, Economics Department* **Irvine, CA**
Supervisor: Dr. Daniel Bogart 2014
Research: Analyzed Dutch India Company fleet capitalization to understand impact of regulation

UNDERGRADUATE STUDENT ADVISING

Eatchel, Madeleine; Queer Farmers, Community, and Economic Structure; Spring/Summer 2024

GUEST LECTURES

- University of Vermont; CDAE 392: Graduate Seminar; Travis Reynolds; October 10, 2022; *Research in Monetary Theory and Embeddedness*
- University of Leeds; SOEE 1112: Sustainable Development; Damian Howell; November 17, 2021; *The Economics of Sustainability*
- University of Vermont; Food Systems Issues and Solutions Seminar; Amy Trubek, Erick von Wettberg; March 17, 2021; *Measuring Embeddedness in Agricultural Foodscapes*
- University of Vermont; Natural Resources 385: Ecological Economics Theory; Jon Erickson; December 12, 2020; *The Nature of Money*
- University of Vermont; Natural Resources 285: Graduate Student Symposium; Joshua Farley; November 11, 2019; *The Monetary Growth Imperative*
- University of Vermont; Natural Resources 141: Introduction to Ecological Economics; Jon Erickson; October 31, 2019; *Introduction to Monetary Theory and Policy*
- University of Vermont; Gender Studies Women Studies 179: Ecofeminism; September 10, 2016; *Ecofeminist Monetary Theory*

CONFERENCE PRESENTATIONS and INVITED TALKS

The Political Transition Potential of Reshaped Narratives of Money. (October 2023). Canadian Society for Ecological Economics Bi-Annual Conference. Toronto, Canada

How Thinking About Money Differently Could Change Everything. (July 2021). EconoPol Research Group, The University of Leeds. Leeds, UK

Humans in/of/are Nature. (June 2021). Keynote Panel Discussion, Canadian Society for Ecological Economics Bi-Annual Conference. Virtual Conference

Operationalizing Embeddedness in Rural Foodscapes through Public Banking. (December 12, 2020). Presentation for Anthropocene to the Ecozoic Monthly Webinar Series. Burlington, VT

Transforming Money for Degrowth. (May 2020). DegrowthUK Degrowth Talks. Virtual Discussion

Money as a Social Relation versus Money as a Material Commodity. (September 2019). Session topic presentation for Economics for the Anthropocene Symposium. Montreal, QC

Money's Social Relationship and Regenerative Agriculture. (August 2019). Presentation for CART Regenerative Food Conference. Burlington, VT

The Social Nature of Money and Ecological Economics. (June 2019). Paper presented at Canadian Society for Ecological Economics Bi-Annual Conference. Waterloo, ON

Social Money on a Finite Planet: How Economic Sociology Informs and Complicates Ecological Monetary Theory. (October 2018). Paper presented at E4A Research Symposium. Burlington, VT

A Research Agenda for Ecological Macroeconomics. (October 2017). Paper presented at the Canadian Society of Ecological Economics Bi-Annual Conference. Montreal, QC

Ecofeminist Monetary Theory. (June 2017). Paper presented at the United States Society of Ecological Economics Bi-Annual Conference. Minneapolis, MN

Money and a Sustainable Economy. (April 2017). Invited talk given at Gund Institute for Environment Gund Slam. Burlington, VT

Asset Price Inflation and Inequality. (June 2016). Paper presented at the International Society of Ecological Economics Bi-Annual Conference. Washington, DC

Mortgage Lending and GDP Growth. (June 2016). Paper presented at the International Society of Ecological Economics Bi-Annual Conference. Washington, DC

PROFESSIONAL EXPERIENCE

FREELANCE WRITER	Newport Beach, CA
Wrote about healthcare sustainability for industry journals and client blogs while writing novel that explores interactions of socio-ecological and economic systems.	2011-2015
TEACH FOR AMERICA <i>Manager of Strategy & Operations</i>	Honolulu, HI
Managed financial and operational strategy—including budgeting, communication, alumni relations, and teacher recruitment—for Hawaiian islands' 120-teacher corps.	2010-2011
OAKLEY, INC. <i>Senior Strategy Analyst</i>	Foothill Ranch, CA
Served as internal strategy consultant to finance, accounting, marketing, sales, and design teams to implement new global growth and efficiency strategies.	2008-2009
HURON CONSULTING GROUP <i>Corporate Turnaround Associate</i>	Chicago, IL
Performed corporate financial turnarounds across multiple sectors including airline bankruptcy and merger, healthcare restructure, and private equity fraud.	2005-2008
HABITAT FOR HUMANITY <i>Domestic Corps Intern</i>	New York, NY
Managed, designed, and led Outcomes Evaluation project to quantify Habitat-NYC's impact on Family Partner homeowners and New York City neighborhoods.	2004
