

## January 2025

### 2025 Snow Season Education Retreat

January 16-17, 2025

A two-day, hybrid education retreat featuring a plenary, poster session, workshops, and networking.

#### Plenary

#### **The Role of Museum-based Education in Healthcare Teaching and Practice**

*Margaret Chisolm, MD*

Professor of Psychiatry and Behavioral Sciences

Professor of Medicine

Director, The Paul McHugh Program for Human Flourishing  
Johns Hopkins University School of Medicine

- On **Thursday, January 16**, the Snow Season Education Retreat activities, including the Oral Abstract Presentations, will be **virtual**.
- On **Friday, January 17**, the Snow Season Retreat activities, including the Plenary, Poster Session, and the annual Induction and Award Ceremony will be **in person** at the Dudley H. Davis Student Center.

This event is open to all UVM Larner College of Medicine faculty, students, and staff at all teaching sites in the University of Vermont Health Network and the Clinical Branch Campus/Nuvance Health in Connecticut.

Contact Amanda Broder, Conference and Member Event Coordinator  
([Amanda.Broder@med.uvm.edu](mailto:Amanda.Broder@med.uvm.edu)) with questions.

### Announcements

#### **Congratulations Members!**

**Mark Bisanzo, MD**, Teaching Academy Member and Professor of Emergency Medicine, just completed his Executive Master's in Clinical Quality, Safety, and Leadership from Georgetown University.

**Christian D. Pulcini, MD, MPH, MEd**, Teaching Academy Member and Assistant Professor of Emergency Medicine and Pediatrics, published his first picture book called “The Family Squeeze” available at bookstores and libraries across Vermont and [online through Onion River Press](#).

Congrats to these residents and Teaching Academy members on their Fellowship matches!

**Tess Morrison, MD**: Rheumatology, The University of Vermont

**Massoud Saleki, MD**: Cardiology, The University of Vermont

### **Teaching Academy Induction and Award Ceremony: Friday, January 17**

The annual Teaching Academy Induction and Award Ceremony will be held on Friday, January 17, 2025, 12-1pm in the Grand Maple Ballroom, Davis Student Center. This year’s ceremony will coincide with the Snow Season Education Retreat and lunch will be served beginning at 11:30am. [Please use the Snow Season Education Retreat registration to RSVP](#).

### **SAVE THE DATE! 10<sup>th</sup> Anniversary Teaching Academy Luncheon and Invited Talk: Friday, May 9**

In case you missed it, the Teaching Academy is thrilled to celebrate our 10<sup>th</sup> anniversary in 2025! It's been a wonderful journey, and we invite you to join us as we mark this milestone with a special event including an invited talk with a national leader in medical education and a luncheon on Friday, May 9, 2025. Mark your calendars now!

### **Call for 2025 IAMSE Educational Scholarship & Curriculum Innovation Grants**

The International Association of Medical Science Educators (IAMSE) encourages and supports scholarship in medical science education by funding multiple educational scholarship and curriculum innovation grants for up to \$5,000 each.

- *IAMSE Educational Scholarship Grants* support projects designed to systematically collect and analyze data related to medical education, which may employ a variety of methods, but seeks to produce generalizable knowledge for dissemination.
- *IAMSE Curriculum Innovation Grants* support projects designed for the general enrichment of teaching and learning that go beyond normal expectations of a faculty member, including but not limited to advances in pedagogy, technology, content development, or professional development.

All IAMSE members are eligible to submit a grant proposal. Preference will be given to new projects. Only proposals relevant to the mission of IAMSE will be considered for funding. The results of funded projects must be presented at a future IAMSE Conference. Successful applicants will be announced via email and at the 2025 IAMSE Conference. The deadline to submit proposals for 2025 grants is *January 15, 2025 at 11:59 PM ET*. For more information, please [visit our website here](#). Please note that this application is available for IAMSE members only.

## **Regional/National Call for Proposals**

### **GEA Call for Educational Research Grant Proposals**

In its strong encouragement and support of research in medical education, the GEA seeks to fund research projects that address important problems or questions in medical education. Proposals that foster collaboration are strongly encouraged. This includes collaborations among GEA sections (UME, GME, CPD), across GEA regions (CGEA, NEGEA, SGEA, WGEA) and/or proposals that engage multiple schools, professions, or departments. Multiple projects may be funded each

year up to \$10,000 each up to a two-year grant period. The number of proposals funded per year will depend upon the GEA budget and proposal quality. Pre-proposals are due on January 17, 2025, by 11:59 PM PT. [The full call for proposals application process, submission guidelines, and review process. can be located on the AAMC Website](#)
