CatChat Call For Presenters

Do you have a hobby or interest outside of work that might interest other UVMers? Be part CatChat, where UVM staff share 10-minute tales of passion that have enriched their lives.

There will be two CatChat's this coming FY26, 10/8/25 and 3/13/26. [Click here](#) for more information and submit your interest in presenting.

Report to the Board of Trustees 5/14

Members of the Board,

Reflecting on this past quarter I am reminded of the impactful and engaging work our Staff Council committees have planning, drafting, and implementing events and programs for our extraordinary staff. This winter the Community Engagement Committee started weekly campus lunchtime walks, to get us up and away from our desks! The Social Committee created a new offering, "Palentines," a subsidized Lake Champlain Chocolate sales for the Valentine holiday. Non-represented and retired UVMers are in good hands with our Compensation, Benefits and Budget Committee who have been working on improved packages for this population. The Professional Development Committee recently brought us an entertaining CatChat and is collaborating with Human Resources (HR) partners on the employee review process so that employees will receive information on how their current skills add value and where to bolster their skills for future opportunities. As you can see from these examples there are many areas for engagement, celebration, and learning across campus and into our community around the state. [Full Report Here](#)

VT211 New Resources

Vermont's comprehensive statewide information and referral resource announced today that it has launched a new, user-friendly online directory. Vermont 211's search tool (<https://search.vermont211.org/>) provides quick access to information about its most commonly requested services and resources. Find connections to child care, free community meals, free tax preparation, crisis hotlines, rent assistance, health care, job training, legal help, state benefits, and much more.

The new and improved directory offers an easier way for the public to connect to resources. Users of the online directory can choose from several search suggestions, type in a specific resource, or choose a category from the list.

Vermont 211 is a confidential, nonprofit program of the United Ways of Vermont that helps connect callers to a wide range of community, health, and human services resources 24/7. Vermont 211 can be reached by calling the number 211, by texting your zip code to 898211, or by visiting its website to search the online directory.
